## Upcoming Labor Webinar

### “The Teamsters - UPS Contract Campaign: A rank and file strategy -- with Joe Allen and Howie Hawkins”

Join us in a webinar discussion on November 5<sup>th</sup> regarding the struggle for a new contract between the Teamsters and UPS (United Parcel Service).

The Teamster-United Parcel Service contract ends July 31, 2023, and the Teamsters union under a new administration of Sean O'Brien (President) and Fred Zuckerman (GST) are mobilizing for a renewed and greatly improved contract. UPS has made billions during the Covid epidemic. The current, five-year agreement is a national contract covering more than 350,000 Teamsters —the largest private collective bargaining agreement in the country.

#### Panelists include:

**Joe Allen:** a former Teamster, UPS and logistics industry worker, socialist, author, having worked in the Watertown, Mass. and Chicago, IL UPS shops, as well as Yellow Freight and others. He offers deep insight in the rank and file working conditions at UPS and of the logistics industry.

**Howie Hawkins:** a former UPS worker; a Green Party (U.S.) founder, activist, socialist and Green Party candidate. A member of the Socialist Party USA, TDU and the Green Party. Hawkins supports independent political action, and a rank and file organizing strategy in labor.

**FREE! November 5, 2022, Saturday -- 6:30 pm ET; 3:30 pm PT -- A Zoom webinar**

## Joshua Bradley for Raleigh City Council

Socialist Party member Josh Bradley decided to run to fight for a seat for the working class on the Raleigh City NC Council. For far too long, the council has catered to the needs of wealthy developers and donors who do not represent the people, so Josh

is running to ensure that workers and tenants have a voice. He wants to ensure they are represented on the council during rezonings, budget development, and so on. Knowing the powerful changes that can be made at the local level, Josh wants to ensure the working class is represented.
